Copy of letter No. C2.P.95/48-49, dated 30th August 1953, from the Municipal Commissioner, City Municipal Council, Mysore, to the Director of Medical Services in Mysore, Bangalore.

Subject Opening of the Maternity Hospital at Nazarbad

With reference to your letter No Gl 4-28/27-8-1953 requesting to communicate concurrence for meeting the cost in respect of country medicines etc , I write to enclose a copy of the letter No. C2.P.95/48-49 dated 26-8-1953 addressed to the Secretary to Government, L S.G. and Planning Departments, requesting to obtain orders of the Government to the resolution of the Council dated 27-4-1947 agreeing to bear the initial and recurring charges in the required proportions as per principles enunciated in G.O. No. L 6405-10/M1.153-40-4 dated 27-2-1941. It is to be stated that the resolution of the Council to make a contribution of Rs.8,000/- for Seth Mohandas Thulisidas Municipal Hospital for Women calculated at revised rates (on account of revision of salaries etc) have been sanctioned in G.O.No. 15095-97/Med.137-50-3 dated 3-11-1950 while directing the transfer of management of the 8 dispensaries and Seth Mohandas Thulsi Das Hospital to Government. Similarly Government have accepted to the payment of a contribution of Rs.8,000/- for the departmental Management of V.V.Puram Combined Hospital in G.O.No. M.11496-99/Med. 33-49-174 dated 9-10-1950. On the same analogy, it was expected that orders of Government would be received in respect of the Nazrbad Hospital also on the strength of the resolution dated 27-4-47 of the Council agreeing to bear the initial and recurring expenditure in the required proportions as stated.

But at no time in the course of the correspondence regarding the construction of the Hospital or shifting of the Maternity section of the H H M.O.I, to the newly constructed Nazarbad Hospital has this question been referred to But, thex Council have however provided a sum of Rs.8,000/- towards recurring cost of the Hospital and Rs.2,000/- towards initial expenditure on furniture etc., as per rules for the current year 1953-54, on the analogy of the provision made for V.V Puram combined Hospital.

The amount of contribution will be made over to you on bills to be received from you therefor and a specific resolution will be also be obtained and sent to you during the course of next month, as your letter under advertance was received just to day (29-8-53), a day after the Council meeting, which was held on 28-8-1953 The specific resolution could have been obtained on the 28th instant, had it only been received a day or two earlier.

I may assure you however of the payment of the Muhicipal contribution as per rules in view of the provisions made therefor in the Budget and request you kindly to direct the issue of all the necessary articles required for the Hospital including country medicines and contingent expenditure referred to in Part II of Schedule of expenditure. I may also state that the expenditure on the staff and items referred to in Part II will not exceed Rs.8,000/- (apart from the sum of Rs.2,000/- initial expenditure provided for this year for furniture as per rules) under any circumstances For calculating the annual expenditure, on average salary basis for the staff proposed for this Hospital in Chief Lady Medical Officer's Letter No C.633-6 dated 2-4-1946, it would not be more than Rs.6,400/- as detailed in the margin at the rates allowed for V.V Puram Hospital) (next page)

In these circumstances, I request that necessary action may be taken in the matter of supply of the materials as also the posting of the necessary staff to the Hospital arranged pending all formalities.
